A CELEBRATION OF FLAVOR

Mobile has a certain magic that keeps you on your toes. Where a melting pot of people, flavors, cultures and traditions become one voice to lead all of life's celebrations. Join the jubilee and welcome every day with an enduring passion and a little soulful hospitality, because life is the ultimate gift. This is the spirit of living. This is what we're born to do.

We're also born to eat. And we're not afraid to cook. And we're certainly not afraid to share. Anywhere you stop along the way in Mobile, you'll find a delicious experience waiting just for you. Straight-off-the-boat seafood boils. Slow-cooked barbecue. Hours-long brunches and pop-up dinners. Mardi Gras food vendors and quirky food trucks. Catered street parties and picnics in the park. Farm-to-table, boat-to-table and locally sourced meals shared with friends. Mobilians celebrate food daily with the same enthusiasm reserved for special occasions in other parts of the country!

About this DELICIOUS Guide

This guidebook features a great variety of dining and nightlife choices available in Mobile. Keep it handy for when your stomach starts growling after exploring all the attractions, festivals and activities Mobile has to offer!

From freshly-shucked raw oysters, to Wild Alabama Shrimp ragout, or Mardi Gras king cake-flavored cake balls, Mobile offers its own Southern unique twist on any number of cuisines and tastes. Our fresh Gulf seafood is celebrated daily around these parts, and you can find this abundance of local, tasty shrimp, scallops, blue crabs, fish and oysters prepared in just about any way you can imagine, and then some. And, yes, we have plenty of grits here too, along with other Southern specialties like fried chicken, collard greens and slow-cooked, mouth-watering barbecue. Keep things all-American with juicy bacon cheeseburgers and chicken wings or take your taste buds on a trip around the world with selections from Mobile’s Thai, Italian, Asian, Mediterranean, German, Caribbean, and Mexican eateries. No matter where you chose to dine, whether it’s a fine dining restaurant or an almost-famous dive, every dish will be served up with Mobile’s legendary spirited, soulful hospitality.

SPENDING THE NIGHT WITH US?

There's plenty you can see and do after the sun goes down on Mobile Bay. There's a diverse mixture of bars, nightclubs and live music venues, ranging from upscale to traditional, to downright funky. Listen to jazz in a downtown courtyard, sample a local libation while overlooking Mobile Bay or dance the night away. We love music in Mobile, and we love celebrating it! It shows each April with the SouthSounds Music and Arts Festival, dedicated to showcasing the best up and coming musicians and artists in the South. Or in October with 1065, our newest music festival which features live musical acts on multiple stages. Or other smaller festivals and concerts throughout the year round out the offerings, along with distinctive venues like the historic neighborhood pub, Callaghan's, and architecturally-inspiring Saenger Theatre.
